

INVITATION TO

IFSS DRYLAND WORLD CHAMPIONSHIPS and WORLD MASTERS 2025

Minocqua, Wisconsin (WI) USA

October 21-26, 2025

GENERAL:

1. Use of private motor vehicles on the trails is not allowed.
2. Competitors may inspect the trail only on foot, bicycle or scooter, with up to two (2) dogs. Training on the trail will be allowed. Times for training will be announced later.
3. Entries for IFSS members are accepted via the IFSS Voting National Member and the Provisional Member federations only, using the official entry form.
4. Microchip identification for the dogs is mandatory. All dogs must be listed on the chipping form (one form per competitor and per class). Only IFSS chipping forms are accepted.
5. Dogs must be 18 months of age on 18th of October 2025 (Date of birth 17th of April 2024 or earlier).
6. Required vaccinations for all dogs on the race site, including dogs not racing: ***Rabies, Distemper, Leptospirosis, Adenovirus-2 (Hepatitis and tracheo-bronchitis), Parvovirus and "Kennel cough" (Parainfluenza and Bordetella bronchiseptica)***.

All vaccines must have been administered more than 21 days before the official day of the opening of the stake-out (NOT the day when the dog starts to race!) Validity of vaccinations as stated in the dog's passport. To evaluate the validity of vaccinations ONLY the "dog passport" or the "dog vaccination booklet" will be taken in consideration. These documents must show for each vaccination the date of injection with the stamp and the signature of the veterinarian who did it.

Note 1) Kennel cough vaccinations have to protect against BOTH Parainfluenza AND Bordetella bronchiseptica (as with INTRANASAL or INJECTABLE vaccines). Only if the dog is protected with an injectable vaccine against Parainfluenza given not longer than 1 year before (as in DHPPi vaccine), then the ORAL vaccine for Bordetella bronchiseptica is accepted.

Note 2) Both L2 and L4 will be accepted vaccinations for Leptospirosis.

7. It is **strictly forbidden** during this event to allow dogs to run loose at the event site, stake-out area and event parking lots. Loose dogs are only permitted within personal containment areas (fenced areas around competitor's vehicle) in the designated stake-out area. Refusal to respect this requirement may lead to disqualification from the event.
8. Each competitor and national team are responsible for the action of his/her handlers.

Updated 2024-04-24

9. All participating nations shall appoint one team leader. The team leaders shall be noted on the entry forms. Team leaders shall be present at the team leader meetings. In view of their liaison task between the race organizer and their team members, they shall speak English.
